

Holidays in Term Time

Education Welfare Service Service

Stop!

it could cost
more than you
think

There are only 190 statutory school days in one year. There are 175 days (weekends & school holidays) available to use for holidays, which would not have a negative effect on your child's education

Pause

are you sure it is
worth it?

Children who have the best rates of attendance achieve the best results and taking a holiday in term time will affect their potential

Think

of the effect on
your child

**EVERY DAY AT SCHOOL
COUNTS!**

PLEASE take your child on holiday
during the School holidays
