

## GEOGRAPHY DEPARTMENT FIELDWORK

### AFON LLWYD RIVER AT PONTYPOOL

THURSDAY 22<sup>nd</sup> JUNE, 2017 (Option 1 geographers)

As part of the GCSE examination each student will need to complete two fieldtrip days

1. A physical geography investigation in the summer of year 10.
2. A human geography investigation in October of year 11.

The work produced from the fieldtrip days will be used to write a report in November/December of this year and it will provide a major contribution to the GCSE Geography grade, counting for 20% of the final mark. This can make the difference between passing and failing, and gaining a good grade or a very ordinary grade. It is vital that all students have an organised approach, and their teacher will make suggestions that will help them with this.

The department is running a fieldwork day, to Pontypool on Thursday, 22<sup>nd</sup> June. The group will leave school at approximately 9am and will travel on foot to the river. We will return to school by 3pm at the latest.

It is important that every pupil follows the instructions given in lessons and tries as much as possible to bring the items that follow:

- waterproof coat;**
- waterproof trousers;**
- wellington boots;**
- warm, sensible clothing** (check the weather forecast);
- suncream** (again, check the weather forecast);
- packed lunch;**
- pencils** (not pens, work may get wet and ink will smudge, pencils won't);
- camera** (a disposable, in case of accidents, **can use mobile phone but at their own risk**).

Please complete and return the attached consent form to myself as soon as possible.

If you require further information, please do not hesitate to contact me at the school, either on the school phone number, 01495 765800 or on my school email address;
