Dear Parents / Guardians of Year 9 Students

One of our key aims at St Alban's is to enable our students to learn and develop in the broadest sense. The St Alban's Festival provides a fantastic opportunity for staff and students to share a whole range of learning experiences.

The normal school timetable will be suspended for the week starting on Monday 10th July, and during that week the students will have the opportunity to take part in activities that we hope will be exciting and enjoyable. The students will not be expected to wear uniform and for some activities which are outside of the classroom such as climbing and inter house sport tournament, they will need to bring suitable clothing (this includes, football boots and shin pads and wet weather clothing). It is advised that designer clothing isn't worn, as some of the activities are quite robust and could result in some clothing being damaged. In addition, for some of the activities we will need parental permission for students to take part. The school day will start and end at the usual times and the canteen will be open as usual. A selection of the activities which are provided are overleaf (please note these are subject to change and not all activities are available on all the days).

The week will be broken up into 4 days:

Monday	Three activities from the list
Tuesday	Three activities from the list
Wednesday	Trip
Thursday	Sponsored Walk day
Friday	INSET

Please fill in the attached form to give permission for your son / daughter to take part in this exciting week! If you have any questions please do not hesitate to contact me at the school.

Yours faithfully,

Mr K Jones
