13/6/16

Dear Parent/Guardian,

On Thursday the 16th of June we are going to have a non-school uniform day where the students can wear clothing to show support for their preferred team at the European Football Championships. We are asking for a contribution of £1 off each student that does so.

In the afternoon Wales are playing England and we will be giving students the option to watch the game in school. We are asking for a further £1 for that opportunity. The game kicks off at 2pm, so will not finish until after normal school hours, however any student wishing to stay until the final whistle can do so under the supervision of school staff. Students who catch service buses will be able to leave at the usual time of 3.10 to get their bus, unless as stated, they want to stay and have made other arrangements to get home safely.

Normal lessons will continue during this time for the students who do not want to watch the game.

All monies raised are going towards the purchase and installation of outdoor fitness equipment at the school. Mr Daniel has already secured over £6000's worth of funding for the project and we are very close to raising the final amount needed to install the equipment.

Thanks as always for your continued support,

Kevin Jones
Assistant Head
St Albans RC High School
